

REMARKS

The Examiner's continued attention to the present application is noted with appreciation. Please note that claims 1-18 have been canceled. Claims 19-30 are new.

The Examiner stated in the Notice of Non-Compliant Amendment dated September 8, 2009 that "claim 7 was improperly identified as a 'NEW' claim by its Status Identifier". In the Office Action response filed by Applicant on June 18, 2009, Applicant drafted a new independent claim and erroneously numbered the new claim 7. The new independent claim should have been numbered new claim 8, and the original claim 7 should have been canceled. Applicant intended to cancel all pending claims and present all new claims to the Examiner. Therefore, in the present amendment, Applicant has canceled all original and previously presented claims 1-18 and now presents new claims 19-30.

In view of the above amendments and remarks, it is respectfully submitted that all grounds of objection have been traversed. It is believed that the case is now in condition for allowance and same is respectfully requested.

Authorization is given to charge payment of any additional fees required, or credit any overpayment, to Deposit Acct. 13-4213.

If any issues remain, or if the Examiner believes that prosecution of this application might be expedited by discussion of the issues, the Examiner is cordially invited to telephone the undersigned.

Respectfully submitted,
